SIR,

I have the honour to enclose herewith a copy of the Chief Engineer's letter No 810 dated 19th February 1900 and to request that Government will be good enough to pass orders to the effect that the Hassan Jubilee building in which the Students' Home of the Hassan High School is located, and the outbuildings and sheds attached to the Hassan High School in which the Hassan Industrial School is held will be treated as buildings attached to the High School and their maintenance undertaken by the Public Works Department.
